

Regardless of political affiliation, the decision of Sinclair Broadcasting to force local affiliates to air the anti-Kerry "Stolen Honor" days before the election shows a partisan corruption and abuse of the public airways. This obvious attempt by Sinclair to turn the election to the candidate they prefer is unethical and anti-democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

Thank you, Ryan Tomko
